If you do not agree to this, you must inform us in writing.

Stay during COVID-19 stay terms and conditions

The safety and hygiene of our staff and students/guests are our first priority.

With this in mind, in the event that a student/guest is confirmed COVID-19 positive during the stay, the room will be thoroughly sanitized by a professional cleaner using medical-grade disinfectant sprayer after their stay.

Apart from that, all linens and towels used including pillows, pillow cases, bed sheets, duvet, duvet cover, duvet topper, bed pad, bath towels, hand towels, face towels and bath mat etc. will be immediately disposed and replaced by complete new ones.

To achieve so, please note that a cleaning fee of £400 and a linen/pillow replacement fee of £200 will be charged on each student/guest who is confirmed COVID-19 positive during the stay.

No food or drinks preparation will be allowed in the Accommodation if the student is tested positive for COVID-19. Please arrange for your own delivery.

We appreciate the parents' understanding on this matter.

You are deemed to have accepted the terms and conditions upon payment of our invoice for the accommodation provided.
